

Recycling is Required in Richland Township

Recycling is mandatory in Richland Township. All residents and businesses are required to recycle. Richland Township operates a free curbside recycling collection program to assist residents in meeting the requirements. The information below identifies the items that are to be recycled and how to participate. Failure to recycle could result in fines.

Recycling Containers Available

Richland Township provides recycling containers free of charge to township residents in newly constructed homes. New residents should stop by the township building located at 1328 California Road, about 2-1/2 miles north of the Quakertown Post Office, for a free recycling container and a collection schedule.

If your container is no longer useable, you may also obtain a new recycling container by stopping at the township office during normal business hours: Monday through Friday between 8:30 a.m. and 5:00 p.m.

Recycling is easy!

On your recycling day, just place your filled Richland Township bin at your curb the night before. Buckets or other open containers clearly marked "recycling" may also be used. Rain or shine, Allied Waste will pick up your recycling materials with a special collection vehicle.

Your Recycling Day

Allied Waste will provide curbside pick-up of your recyclable materials every other week as shown on the calendar on the other side of this page.

HOLIDAY PICKUP: If your collection falls on New Year's Day, Memorial Day, July 4, Labor Day, Thanksgiving Day or Christmas, your recycling will be picked up on the following Saturday.

Any Questions!

Just call the Allied Waste office at 215-723-0400.
