

Richland Township Community Garden

SIGN UP FORM

Richland Township offers garden plots in our community garden which is located off Station Road. The plots are approximately 12x20 feet. Please park in the area in front of or behind the One-Room Schoolhouse on Station Road. Access to the gardens is currently through a path in the treeline. We may add additional access in the near future.

Plots may be reserved beginning March 1, 2012. The rental fee is \$10.00. Please note: there is no water currently at the site, so it is a BYOW facility. (We are working on a solution for the well.)

Each gardener is responsible for making his/her own accommodations.

The following rules are designed to ensure that you and your fellow gardeners have a pleasant and productive season. Please take a moment to review them.
