- Approved April meeting minutes
Trying our first open virtual meeting.

1. B&J finishing DCED grant for the station Rd/5th Street bridge and trail. This will only get the trail to the Hidden meadow's development. Due 5/31. DCED may have a serious funding issue in 2021. Also, there are some changes at B&J. Resolution was submitted.
2. Bucks County Emergency Management notified all County municipalities Tuesday May 26th that playgrounds may be opened. The township BOS is working on this. We will follow our current status however will open the veteran's park bathroom with daily cleaning.
3. Community Garden. Matthew Feehan filled out volunteer form and will head up the community garden project.
4. Rail trail construction is moving along well. Veteran's Park area should be paved by the end of next week. Rest of the trail is waiting on lumber to ship from Brazil and may be another 2 months.
5. LVHN wants to sponsor a Water Station/ Bike repair/ bike rack in Veteran's park where trail exits. Want to avoid signs on trail but in the park could be a sponsorship. They can provide up to \$20-25k. Running water to the site they want may be too much money. B&J thinks it's best to be a later add-on. We will ask them if they want to add funding for (2) benches on the BG trail. Propose to LVHN if they want to sponsor two parks and be our township trail sponsor.
6. Toll Gate Land HOA trail. A draft Memorandum of Understanding (MOU) was approved by township council and sent to Milford for their approval and then it will be sent to Toll Gate for a vote.
